Dear Gen. Pustay:

This is to confirm my conversation with your staff member, Robert Hayes, that Director of Central Intelligence William Casey accepts your invitation to address the National Defense University. He will be available to speak to the students, faculty and staff members on Wednesday, 15 December from 10:15-11:30 a.m. in Dwight D. Eisenhower Hall, Fort McNair. According to your letter, there will be an audience of approximately 450 attendees, all with Top Secret clearances. The meeting will be off the record with a 45 minute lecture followed by a 30 minute question and answer period. Unfortunately, Mr. Casey will have to decline the luncheon invitation.

We would appreciate receiving any additional information on the school, any brochures or agendas, and if possible, the name of the individual who will introduce Mr. Casey. Do the attendees have intelligence or operational type backgrounds? Could you possibly provide us a map of Ft. McNair showing the location of the lecture hall?

A photograph of Mr. Casey and a copy of his biography are enclosed. Thank you again for your invitation. If you have any further questions, please feel free to contact me.

Sincerely,
